3. Procedure in Applying and Processing Requests

Section 18 of the RTI Act provides specific guidelines for application for access to information kept by a public institution. It is thus important that request for information be made in accordance with provisions under this section. The Information Officer or a designated officer is responsible for dealing with applications made to the Atiwa-East District Assembly. To requests for information under the RTI Act from Atiwa-East District Assembly, applicants are to follow these basic procedures:

3.1 The Application Process

- a. Application by any person or organization who seeks access to information in the custody of Atiwa-East District Assembly must be made in writing, using the standard RTI Application Form. (**See Appendix A for the Standard RTI Application Form**). A copy of the form can be downloaded or completed and submitted electronically on the Atiwa-East District Assembly's official website or the Ministry of Information website.
- b. In making the request, the following information must be provided:
 - Date of the Application.
 - Name of the applicant or the person on whose behalf an application is being made.
 - Name of the organization represented by the applicant.
 - Available contact details of the applicant or address of the person/organization on whose behalf an application is being made (Telephone Number, Email, Postal Address, Fax).
 - Brief description of information being sought. (Applicant are to specify the class and type of information including cover dates).
 - Payment of relevant fee if applicable.
 - Signature/ thumbprint.
- c. Provision of identification

The applicant must present at least one (1) of the following valid identification cards (IDs) to serve as proof of identity:

 - Driver's License.

- National ID.
 - Voter's ID.
- d. The applicant should state the format of information being requested and the mode of transmission. Example (do you need certified true copy, normal photocopy or electronic copies. Would you want to receive it through a postal address, e-mail, courier services, fax etc.?)
- e. Where an applicant cannot write due to illiteracy or a disability, he/she may make the request orally. However, oral request must conform to the following guidelines;
- The Information Officer must reduce the oral request into writing and give a copy of the written request as recorded for the applicant to authenticate. (s. 18) (3).
 - The Information Officer shall clearly and correctly read and explain the written request to the understanding of the applicant.
 - A witness must endorse the face of the request with the writing; *“the request was read to the applicant in the language the applicant understand and the applicant appeared to have understood the content of the request.”*
 - The applicant must then make a thumbprint or mark on the request.

3.2 Processing the Application

- Applications would be treated on a priority basis. The Information Officer is responsible for handling requests to ensure that statutory deadlines are met.
- He reviews and identify which part is exempt based on Section 5 to 16 of the RTI Act and determines which of the units in the institution have the records or is responsible for the subject matter of the request.
- Provision is made under section 20 for the transfer of an application within a period of not more than ten days of receipt where the public institution to which the application was initially made is unable to deal with the application. In such situations, applicants would be notified accordingly with the reasons and dates of transfer.
- For information readily available in official publications, the Information Officer shall direct the applicant to the institution having custody of that publication and notify the public institution of the request. (s.21).

- If a requested information is not readily accessible, the estimated time it will take to search for the information would be communicated to the applicant.

3.3 Response to Applicants

a. The Information Officer is required under section 23 of the RTI Act to notify applicants within fourteen (14) days from the date of receipt. Applicant should however note that the time limit does not apply to applications transferred to another public institution or which has been refused due to failure to pay prescribed deposit or fee. (s.23)

(6). The notice should state:

- Whether or not full access to the requested information will be granted or only a part can be given and the reason.
- The format and mode of the access.
- The expected publication or submission day of the information in the case of a deferred access.
- The prescribed fee (s.24).

b. The Information Officer can request an extension to the deadline if:

- Information requested is voluminous.
- It is necessary to search through a large number of records.
- The information has to be gathered from more than one source.
- Consultation with someone outside the institution is required.

c. The Information Officer would in such situations notify applicants of an extension as well as the period and reason for the extension. An extension should not be more than seven days.

d. In giving applicants access to information, the applicant would be given the opportunity to inspect the information or receive a copy physically or any other form required such as electronic, magnetic, optical or otherwise, including a computer print-out, various computer storage devices and web portals.

- Where access cannot be given in the form specified by the applicant, access can be given in some other form. In such cases, the applicant shall be provided with a reason why access cannot be given in the specified form.

4. Amendment of Personal Record

A person given access to information contained in records of a public institution may apply for an amendment of the information if the information represents the personal records of that person and in the person's opinion, the information is incorrect, misleading, incomplete or out of date.
